Educational programs of Texas AgriLife Extension Service are open to all people without regard to race, color, sex, disability, religion, age, or national origin. The Texas A&M University System, U.S. Department of Agriculture, and the County Commissioners' Courts of Texas Cooperating.

Graduating Class of 2010

Our office is very proud of each of our 2010 graduating seniors. D'Amberley Averette is graduating from Forsan and plans to attend Sul Ross State University in the fall. Judson Chevalier has graduated from Coahoma and will be attending Angelo State University. Judson has also been selected to interview at the state 4-H Round-Up to compete for a scholarship ranging from \$500-\$16,000 to use toward his education. Braeson Ramey graduated from Sands and will be furthering his education at Howard College.

Thank you Seniors for all your hard work. We wish you the best of luck as you take the next step in your lives. Don't forget that the Extension office is always here to help you in any way we can.

CONGRATULATIONS

Steer Validation

It is time to validate your steers. If you purchased your validation tags, bring your steers to the sale barn on June 19th at 9:30am, or June 23, at 4:30. Parents and members must be present to sign all official documents.

4-H Record Books

For those of you who plan on turning in a Record Book, they are due in our office by 3:00 June 22, 2010. If you have turned one in in the past, please re-use your green cover as it is not necessary to use a new one every year. If you have question regarding your record book, please call Kandy. ** Kandy will be out of the office June 8-11th but will be available to help the rest of the time.

Wildlife Project

All planning is in the works. Amy Burchett is working on getting the program together. Please check back with the Extension office often, read your newsletter and email as well. As soon as we have a schedule, we will get the information out to you. I am sure this years programs will be just as good if not better than last years.

Photography Workshop

Glasscock County will be hosting a photography workshop and have invited 15 youth members in the 6th grade or higher through out our district to participate. Jennifer Davidson, professional photography from New Mexico, will be covering topics such as depth of field and shutter speed. Because the group will be small, she will be able to have some one on one time with each participant. The workshop will take place on Friday, June 18th from 8:30 to 5 at the Glasscock County Agrilife Extension office. The cost of the workshop will be \$50. If you have any questions or need more details, please contact the Glasscock Extension office at (432) 354-2381. There will also be a workshop for adults June 15-17th from 8:30-5. Fee is \$150.

Howard College Lamb & Goat Camps

There are a few openings available for the Howard College Lamb & Goat Showmanship Camps. Lamb Camp will be June 6-8 and Goat Camp is June 13-15. The cost of each camp is \$85 and this includes 6 meals and a camp t-shirt or cap. Showmanship prizes will be awarded in each age group. If you are 9 years old or in 3rd grade and have not signed up you may call our office at 264-2236 or Cash Berry at 264-5110..

4-H Motto:

To Make the Best Better

4-H Pledge:

I Pledge:

My head to clearer thinking,

My heart to greater loyalty,

My hands to larger service, and

My health to better living

For my club, my community, my country and my world.

4-H Prayer:

Help me, Oh Lord, so that the world may be a little better because Thou didst make me.

We are here to serve you. Please do not hesitate to contact the Extension Office with your questions and concerns about the 4-H program. We hope and expect every one to have a successful school year.

Sincerely,

Lorena Gomez
